Letter from the Editors

This past year has been so much fun working together with everyone to make this yearbook. We all put so much time into it and we could not be happier with it's end result. We were able to all work together and create something that we all love, but more importantly, we created something that represents our school as a whole. This yearbook would have not been possible without the yearbook staff, Mr. Coulombe, Christina Garnett, our yearbook representative from Jostens, and Chestnut Hill Studios.

We would like to congratulate everyone for everything they have accomplished over the past four years. We could not have asked for a better class to graduate with. We have had so much fun over the years with everyone and we have created memories that we will never forget. We wish everyone good luck over the next few years and we hope you succeed in everything you do.

Finally, to our yearbook staff; thank you so much for everything you have done. The yearbook would have not been the same without you. Good luck in school next year and good luck with the yearbook.

Letters from the Admin

Class of 2014,

I congratulate each and every one of you on your graduation from Joseph Case High School. It is exciting and rewarding to watch you walk across the stage to receive your diploma and bring closure to such an important and enjoyable chapter in your lives. The next chapter will be equally as challenging and hopefully as enjoyable as your twelve years in the Swansea Public School System.

You should be proud of what you have accomplished and excited to pursue the challenges that lie ahead. I urge you to move forward in pursuit of your goals and dreams with the confidence that the knowledge, experience and character that you have gained at Joseph Case High School will allow you to be successful in the next chapter in your life and beyond.

I ask that you continue to make the difficult choices in life that will continue to make your parents, your community and yourself proud. Congratulations on this outstanding achievement. I wish you the best of luck in your future endeavors.

Robert G Monteiro Superintendent of Swansea Public Schools

I want to express my excitement for each of you as you reach this juncture. Graduating from high school is an accomplishment of which you should be extremely proud. This is especially true in this time of high stakes testing and increased academic rigor!

After meeting the graduation requirements at Joseph Case High School, I am confident that each of you is prepared to meet the challenges of college, the military, or the work force in a way that is a 'cut above' other graduates across the state. I am certain that the years you have spent at Joseph Case High School have also taught you to be good citizens and achieve to your highest potential.

I wish you the best of luck in your future endeavors and I know that you will look back upon your time in school and understand that the education you have been provided at Joseph Case High School will be the key to success in whatever avenue you choose to pursue.

Best Regards,

John J. Robidoux Assistant Superintendent/Director of Student Services of Swansea Public Schools

To the Graduates of the Class of 2014:

The Class of 2014 is one of my favorite classes to come through the door of Joseph Case High School. Your sense of school spirit, community and enthusiasm has been infectious to all members of our community that you have co-existed with during the past four years. We have certainly seen change since you were freshman: New gym, new seats in the auditorium, covered drinks in the classroom, and a capstone project that will lead you to the final months of your high school education.

Although I wish you a lifetime of good health and happiness, I hope your future includes many doors.

Since your formal time at Joseph Case High School is coming to an end, what is your next adventure? College? Living away from home at a university? Balancing work and school? Military? Trade schools or technological training?

Whatever you have selected as your pathway, there will be doors ahead that will present you with challenges, opportunities, chances to flourish as well as temptations to hold you back. Chances will exist. Is this the door to a new, exciting place? Is it a portal that is a transition to something else? As well, perhaps it's a revolving door that can bring you back to where you started. Does this door bring you to the place you want to be?

So many questions and options! So, too, is your life after high school.

My sincere congratulations on all your accomplishments during the past four years and best of luck in maneuvering through the many doors ahead. Choose wisely and be open to positive and possibilities that you may have never dreamed of.

Congratulations
Brian McCann
Principal

Congratulations on successfully completing this wonderful chapter of your lives. You have accomplished what you set out to do four years ago with hard work and following through on your commitments. This is an important lesson to remember: Hard work and commitment will always be important in meeting future goals. I am confident Joseph Case High School has provided you with the skills and knowledge to thrive in your future endeavors.

If I could provide you with any advice, I would simply say don't settle. Don't settle for less than you deserve. If you set your expectations high, even higher than you think you are capable of, you may be surprised of what you can accomplish.

You have left your mark on Joseph Case High School, just as many classes before you and have, now become a part of the rich Case High history of success stories. Take pride in what you have accomplished as a class and individually. You have made our school and community proud.

Sincerely, Sean Scanlon Assistant Principal

2014 Yearbook In Appreciation

The Class of 2014 would like to take the time to acknowledge Ms. Christine M. Stanton for her services and administrative work in the Swansea Public Schools system over the years. Beginning her career as a physical education teacher here at Joseph Case High School, Ms. Stanton later moved into administration, serving as the principal at the junior high school, and later becoming the assistant superintendent and superintendent of Swansea Public Schools. Last year Ms. Stanton ended her career and retired after many years of service to the Swansea Public Schools. Our class would like to thank Ms. Stanton for all the work she has done for our town, school, and of course, our athletic department.

Aside from her work as a teacher and administrator, Ms. Stanton has been a staple when it comes to Case High School athletics. During this past volleyball season the gym court was dedicated to Ms. Stanton. Additionally, she was inducted into the Joseph Case High School Athletic Hall of Fame in 2008 for her various coaching achievements as a soutball and volleyball coach. Not only was Ms. Stanton inducted into our school's Hall of Fame, but also the Northeast Volleyball Coaches' Hall of Fame as well. Ms. Stanton and her team won seven volleyball state championships, five of them being consecutively, as well as 104 straight volleyball victories. Ms. Stanton's time as a coach was practically flawless, only losing three SCC matches in her whole coaching career. Ms. Stanton ended her varsity volleyball coaching career with a record of 403-36. Aside from volleyball, Ms. Stanton is very well known as a softball coach as well. During her 15 seasons of coaching the sport, her and her team achieved an amazing 300 wins, 11 league championships, and in 1981, the team won the state championship.

Not a day goes by that Ms. Stanton's hard work goes unappreciated. It has been an honor to belong to town and soon graduate from a school that has been influenced by such an amazing person who is so passionate about what they do. The Class of 2014 would like to thank Ms. Stanton for everything she has done for our administration, our students, and our schools.
